“ I remember meeting Mrs. Lucy Rivera, my 1st time was when I was pregnant with my oldest girl, Jennifer, then again when we got to introduce, Jennifer to her, her smile, hospitality and her love for her nephew, my husband, David Rivera. Her smile will always be with me. Although I haven't seen Aunt Lucy in years, I am sorry she pass. Her smile will always and forever be with me. Gone but never, ever forgotten!

“ Some of my fondest memories of my mom a are sitting around the kitchen table playing cards or board games. We would laugh and talk about anything and everything. She inspired me to become a mom myself. I will always be grateful to have been blessed with such a wonderful mother. Love you mom.
