

Benn Steven Irwin

June 25, 1964 - March 5, 2021

Benn Irwin, age 56, passed away peacefully on Friday, March 5, 2021 in his home surrounded by his wife and children.

Benn was born in London, England on June 25, 1964 with a full head of hair and big brown eyes. Benn lived his childhood years in Altamonte Springs, before there was a mall and large shopping plazas. He proudly attended Lyman High School and was actively involved in choir. Benn was social and until his passing remained in contact with many from this era of his life.

Benn was a restaurateur and a natural leader. His career spans many decades from busboy to executive to owner. He had a passion for excellence and motivating people to be their best on the job.

Benn played as hard as he worked. He loved the Florida Gators. He enjoyed sports immensely, both watching and participating - you might have joined him golfing, biking, running, skiing or playing racquetball.

He was a class act friend. Benn's kind heart and welcoming personality left all wanting more time. He cherished several lifelong forged friendships and he will be greatly missed.

He loved to participate in his children's school activities and events. Benn enjoyed Boy Scouts in his youth, then with his boys.

Benn was an active member of Journey Christian Church. He openly shared his faith and the wonders associated with living a purposeful life.

Benn is survived by his wife Carmela, daughters Emily and Avery, sons Benn and Blake, grandsons Parker and Pierson, mother Gloria and siblings Richard and Frances.

“ Benn will always hold such a special place in the hearts and minds of our Family. Benn brought a special combination of positive attributes to each and every day he lived. He was loyal, loving, considerate, thoughtful, fair and kind. His positive and energetic attitude toward life gave him the special human qualities necessary to manage others. I am proud to have had the opportunity to have worked with him for several years. He truly touched and left an eternal imprint on The Shaver family. I know he is in heaven with a front row seat. May God eternally bless you and your family.

“ I was so fortunate to have met Benn back in 1986. Sonny, Benn and a few more amazing guys were such a big part of my life. I was the 17 year old who got to be the little sister, princess with this group of guys! I was initiated into the close knit group by seeing how hot ketchup and sugar when mixed would get. From that moment on I had a group of big brothers that always looked after me! We have such great memories of you Benn! They will be cherished forever. From you black SAAB, songs on the radio, and many Wally's visits, concert trips and many more!! As life happened, started having kids we didn't get to see each other much. But when we did we all picked up right where we left off! Sending your family strength, love and prayers to get through these times. Love you always and forever!!

“ I didn't know Benn as well as I would have liked to, but he was one of those people that made the most minimal of interactions enjoyable. He was always curious to know how I was doing and how things were going at my restaurant. And he always eager to offer advice and help any way he could.

Rest In Peace, Benn, and God bless your family. I'm sure you were loved by many.

“ I first met my (third) cousin Benn and the rest of the family when he was in his late teens (and I was a mere ten years old). We went to Disney World and he miraculously caught my glasses when they fell off riding the coaster Space Mountain! He was a great guy; warm with an awesome sense of humour and will be greatly missed. My condolences to all the family, and I hope to be able to see you all soon.

“ Benn and I lived around the corner from each other in Altamonte Springs. We had an incredibly fun childhood in the 70s. Benn was the neighborhood kid that was always out and ready to play. In the 70s, that meant climbing trees, riding bikes, and planning how to sneak over to the Interstate Mall. While throwing rocks and tangerines never became an Olympic sport, Benn was as good as anyone at throwing them in games of war and hide and seek. We played on the golf course, swung from vines, and looked for golf balls, all the time trying to avoid any run-ins with water mocassins.

Benn left a mark on my heart. While I didn't get to spend much time with him in our adult years, I am grateful for social media that kept us connected.

My sincere condolences to Carmela and his children. My heart breaks for you all, and yet I know that he left you with love and a deep understanding that you will see each other again.

To his Mom, Mrs. Irwin, who was like a second Mom to me for many years, I send you my deepest condolences and love. Thank you for raising such a kind and giving man.

May the Lord's strength that surpasses all understanding comfort you all during this difficult time,

Much love,
Tracy Stempkowski Seely

“ Benn, Godspeed to you. Good and faithful servant.
My earliest memory of Benn was in the 6th grade at Milwee Middle school and the talent show. He sang Leaving on a Jet Plane with his friend Adam DeMino. I think I had the biggest crush on him after that!
To his wife Carmela and his children, praying for you and that you will have peace in knowing that Benn is residing in heaven and there is no more pain. God bless you all.
