

Charles K. Humphrey

May 15, 1963 - October 22, 2020

Charles K. Humphrey, age 57, son of Dr. William C. Humphrey and Sally Gregory, passed away Thursday, October 22, 2020 at his home in Oviedo, FL. He was a longtime resident of Illinois and an avid Cubs fan. Chuck is survived by his wife, Sophia Humphrey (Bautista), his parents, Bill and Sally; and the lights of his life: his children and step-children Wesley and Andrea Humphrey and Rose and Leo Bautista. Chuck was the youngest of four children and is survived by his sisters, Jane and Elizabeth Humphrey and his brother, William T. Humphrey. Chuck was a jack of all trades with a depth of experience, but had a long career in technology at Accenture and was most recently employed at Deloitte in Lake Mary, Florida. Chuck looked forward to spending time woodworking, hiking, and grilling. Chuck will be remembered as the most selfless, loving, helpful, and kind man, who would give you the shirt off his back.

The Humphrey family will be holding an online memorial at

My Dear Uncle Chuck,

I will always remember you for your sweet smile, warm hugs, your dance moves, the tap on your nose, your love for fig newtons and your interest in computers and photography. But mostly, I will remember you for your love and commitment to your family and friends. You helped me and my family as we moved to Chicago. You showed us the ropes. You were always there through so many important moments like weddings, showers, and birthdays.

I will always treasure you in my heart, and I will miss you so much. Always know you were an amazing, loving, funny, charming and caring uncle. May you rest in peace my beautiful uncle. You were and always will be loved.

With love,

Your niece Veronica

Chuck was a good friend and colleague in the Boy Scouts. His leadership in the Scouts helped shape the lives of many young Scouts on their path to adulthood. He is missed.

I was able to reconnect with my cousin Charlie about 5 years ago when he came to Palm Desert to visit with my mom, his Aunt Ann. He was funny, kind and loving to all of us even though I hadn't seen him since the early 1980's. Wishing peace and comfort to his family during this ver sad and difficult time.

“ My Dearest Husband

You are the love of my life, my bestfriend, my mentor, my world. I was looking forward to spending the rest of my life with you, growing old together.

God blessed me the day we met. I am a stronger, more loving woman because of you. You were so pure of heart and gave of yourself unconditionally to anyone who needed help. We were the guy and girl version of each other in so many ways which explains why we were so in love with each other. I will always remember your smile, your laugh, your beautiful heart and how wonderful it was to just hold hands with you. I miss you, my Chazzy.

I pray you are at peace and in God's embrace, my love. I will always love you.

Your wife,

Sophia

“

Dad,

I will never forget all of the things you taught me like how to ride a bike, how to get lost in the world of a good book, how to conquer my fears, how to manage my time, and most importantly where the hot water heater was in my childhood home (lol I will never know why this was so important to you). You showed me that adults don't always know what they're doing, but you gave me the tools, the confidence, and the support to figure things out. Thank you for always being my go to guy. I knew I could always count on you, no matter the situation.

I already miss you so much. I miss that you were always unapologetically yourself. I miss your hats, your "shaking hugs," your dance moves, and everything else that made you, you. It often frustrated me how similar we were at times, but in the last week it has given me comfort that I will always have some of you with me in my habits and mannerisms.

I love you, dad. I feel lost in this world without you, but I want to say thank you for everything.

love always,

Your daughter,

Bibble

“

Dad,

It has been an excruciatingly difficult week living in a world without you. You won't be at my wedding. You won't meet your grandchildren. We won't know each other as adults.

But I wouldn't trade the time we had together for anything. The Cubs games, fishing trips, hikes, driving lessons in the outlet mall parking lot, woodworking, stories every night before bed and every single day I pushed your car out of the driveway on the way to work.

I will miss your passion, heart, fashion sense and dance moves. I'll miss everything about you, even the things that frustrated me.

This is your son, your Wigglebug, saying I love you and I'll miss you.

“ Chuck was a trusted and dear friend. We were thick as thieves for a few years right up to when he moved to Florida. Chuck always wanted to ‘do the right thing’ and was a big help in times of stress etc. He is mourned and my heart felt and deepest condolences to his wife, his kids and anybody else that had the privilege of being his friend.

“ I only knew Chuck a few short months while working with him at Deloitte, but he was such an uplifting personality to be around. He was very enthusiastic and a joy to be around. We will certainly miss him and his presence in the Deloitte family.
