“ Connie was a mother, my mother-in-law, a grandmother and great-grandmother who passed down the strength of her character, convictions and the core that is 'Family First' to her children and grandchildren.
I am so very grateful that we were able to attain a Peace among each other. And that I was given her blessing to carry-on as the patriarch of my daughter Melissa and her family.
I know that you are in Heaven Connie, watching over her and your great-grandchildren.

Melissa, Keith, Madison and Taylor: We are glad that we can be with you in your grief. We pray you find comfort and rejoice in all the love and fun you had with Grandma Connie over the years. Melissa you are a strong, loving woman who, in living with her together as extended family, truly honored your grandmother. Love and memories of your best friend will always remain in your heart.

“ Connie, you were a wonderful woman who did so much for my brother's family. Too many to mention, but #1 on the list was love... And that love extended well outside your immediate family-- we all got to share in it! Thank you for setting a great example for the rest of us that above all else, family comes first.

“ Grammie Gram, my right arm, my living angel, my backbone, my sea turtle....you were more than my best friend, you were my conscious, my extra sense and will always be. You are irreplaceable. Your love for me can't be touched by any other living soul. Your devotion spoiled me, this hurts so very much, but I have never been one to escape pain, to run from closeness. Our incredible relationship is worth every ounce of missing you. We shared a roof for 29 years of my life and I want 100 more. Thank you for keeping my mom and gramps company until I rejoin you and share eternity with the most outrageously cool human to walk this fine Earth. I promise to take care of the girls, I promise to take care of myself. I promise to put on hand cream and to never, ever stop loving you. I know you would tell me to get on with the show and I promise to make it one worthy of a standing ovation. All of live...all of my life. CMZ..g-ma...I will never let it go.

“ Dearest Grandma/Great Grandma, you were such a strong and nurturing woman who brought joy and love into all of our lives. You will always be remembered for your spunk, fabulous family dinners, independence, hardworking nature, your smile and how you took care of everyone around you. You taught all of us Parker, Hickey and Cross women how to be strong and resilient and were a great example to admire. You pioneered the modern woman and will be greatly missed. We love you always!
