

## Debra Jean Mankovich

May 12, 1958 - March 3, 2019

On Sunday March 3, 2019, Debra J. Mankovich, loving mother, wife, daughter, sister and grandmother passed away at the age of 60. Debi was born on May 12, 1958 in Sussex, NJ to Orin Sr. and Veronica Babcock.

Debi had a passion for reading and photography. If she didn't have a camera in her hand, she had a book. She was a mom to many, all of my brother's friends as well as mine would call her Mom and she was OK with that. She loved each and every one of them. She worked with OCPS for over 20 years and touched the lives of many. Her love showed through her work, we teased her all the time that she would never make it out of Elementary School and her response was she didn't want to grow up, the higher grades were no fun. She was known for her sense of humor and her kind and compassionate spirit.

Debi will be lovingly remembered by her father Orin Sr., her husband of 40 years; Robert and their two children; Scott(Diane) and Vanessa(Shawn). She will also be fondly missed by her five grandchildren, Haileigh, Hunter, Easton, Joanna and Alex; her brother Orin Jr., her sister Kathleen(Paul), as well as her nephews and nieces, extended family and friends. Debi was preceded in death by her mother Veronica.

“ To The Family,  
As a volunteer minister who reads obituary columns quite often... I would like to extend heartfelt condolences and expressions of sorrow for your loss.

Sometimes words cannot express fully one's sympathy when learning of the loss of a love one or a friend in death, simply because death affects all mankind and it hurts so much. I hope the family can be comforted knowing that God cares for you and sees your pain. ( 1 Peter 5:7)

May you find comfort and relief during this time of sadness in the assurance of God promise of the resurrection as you cherish the precious memories.

Prayers of Comfort and Peace,  
The Dorsey Family

“ I am devastated! Debi and I were coworkers at Eagle Creek Elementary and over the course of the summer developed a solid Facebook friendship. She shared some personal information with me and asked that I keep it personal, which I did. I will miss you my friend. Rest In Peace.

“ Just last month Deb wore a T-Rex shirt for dino dress up day on literacy week at our school and she told me all about her grandson who loves dinosaurs. She told me of his dino birthday party in which the shirt had been made for. Deb always carried a positive attitude and she will be missed very much at ECE.
