“ We were long time Friends of the Folkers. I grew up with Terry and Sharon. I have such fond memories of them throughout the years. So many times I had thought about stopping by and just knocking on the door and saying hello, now I wish I had. The one thing I remember most about Maryann is the way we all got to laughing so hard about growing up and things we did, places we visited. I think it's the laughter of our families, the time we spent together that I will remember. My heart goes out to and big hugs for Terry, Sharon and Bill. Love you guys, Leah Lane Miller.

“ Prayers for Sharon and the rest of Mary Ann's family. This family were special to the Currie-Tanner-Eastman family and to others. Mary Ann was a close friend and cousin to my aunt Fay Gowan and cousin to Marcus Eastman, my father. What a special lovely lady. God bless you all.

“ We were neighbors of the Folkers for 38 years. Over the years we shared great conversations with Mary Ann as we both worked in our yards. She will be missed.

“ Although I haven't seen Mary Ann in quite a while she's part of my family and I have fond memories of her and her family. I remember vividly her pretty smile and kind heart. She will be missed. I send my condolences to the family.
