

Morlan Lachmanen

May 4, 1964 - May 31, 2020

Morlan Lachmanen was born in Belvedere, Corentyne, Guyana on May 4th, 1964. He was the youngest child of the late Supramani, known as Menard, and late Maharanie, known as Juliet. Along with his two surviving siblings, Gilbert and Anita, they lived a simple but happy life. Morlan attended Belvedere Primary School.

In the year 1982, Morlan and his family migrated to Queens, New York. They rented a small house in Far Rockaway from a family called the Kumars. Little did he know, he would eventually become apart of the Kumar family as a result of his love for their daughter, Radha.

After a romantic courtship spanning many years, Morlan married the love of his life, Radha in July 1987. The love they shared for one another blossomed into what would become the start of their family, with the birth of their first child Steven in 1988. Five years later, their family became complete, after the birth of their daughter Kimberly Sara, in 1993.

Morlan and his family moved from Queens to Broward County, Florida in 1996. Within a few years, he accomplished his lifelong dream of owning his own home. He was employed as a mechanic and worked tirelessly for his young family. In 2015, Morlan and his family relocated to Orlando, Florida, where he lived for the remainder of his life.

Morlan was a person that radiated joy, love and passion for life. He was devoted not only to his wife and children, but to all his extended family and friends. He found immense satisfaction in helping others, whether it be home repairs, car maintenance or simply being there in rough times. Morlan was the type of man who could befriend a stranger in a matter of minutes. He spent hours every week calling his family and friends to tell them he loved them and was thinking of them.

Morlan had a variety of interests but he especially loved gardening and fishing. He was happiest when outdoors, working on renovation projects for the home he was so proud of. He was a brilliant handyman. Morlan's love for music and dancing will always be remembered and as most would agree, he was always the life of the party.

It is cruel and unfair that a man like Morlan had to leave us so soon. He had so much left to do in life. He touched hundreds of hearts and will live on forever in our memories. We will honor and remember his kind face, his genuine soul and his many acts of service to those he loved. We pray that he watches over us and gives us the strength to live on without him until the day we meet again.

“ And the dust returns to the earth as it was , and the spirit returns to God who gave it. For God so loved the world, that He gave his only Son Jesus Christ, that whoever believes in Him should not perish but have eternal life. R.I.P. my best friend and my partner in work. Thank you for taking care of this broken life too. Rest now Morlan; your work on earth is finished and you got an A.

“ Uncle Morlan was like another father to me and it breaks my heart to lose him so suddenly. He was the kindest person who would drop anything to be there to help with something. If I needed something fixed on my car, he was always there to fix it for me. I'll never forget when he ended up getting his face slashed because he got angry after a group of guys hit me with a bottle rocket and confronted them about it when i was a kid. I last saw him in February and would have never imagined that it would be the last time I'd ever see him alive again. He always referred to me as his son and was always so loving. It's not fair that you were taken from us so suddenly. I pray for my cousins, aunt and rest of my family to get through this heartbreak. RIP Uncle Morlon, I love you and miss you dearly.

“ Uncle Morlon was a part of my life since the day I was born. I grew up around him, Aunty Radha and my cousins. He sprinkled happiness everywhere he went, wearing a smile on his face and laughter in his voice. He helped everyone, family, friends, neighbors, and even strangers. I was blessed to have an uncle like him, blessed that he loved me unconditionally, and blessed to be called not his niece but his daughter. I can still hear him... “HELLO NADIE BABY”!!
Thank you for helping me grow uncle. Watching you, I’ve learned to be selfless, to forgive, and to live life to the fullest.

Today and until we meet again, I’ll try to find comfort in thinking of you as living in the hearts of those you touched. For love is never lost and you are loved so much.

Rest easy Uncle. I love you forever.

“ Dear Morlan, your an angel in heaven now. You’ve left us heartbroken, but have left us with so many beautiful moments that we shared as good neighbors. Thank you for our Papaya tree...we will take good care of it. We will definitely miss your greetings everyday from across the street and great conversations! It won’t be the same without you. Who will call us now if we leave the garage door open! We will definitely miss your guitar playing as well. Take care brother, until we meet again! Miss you my friend! God bless your family and bring peace during this difficult time. Sincerely
Herbert & Melissa

“ I remember when Marlon and his wife Radha met. Marlon's parents were tenants to Radha's parents. They fell in love, been together thirty plus years. I remember their marriage, and when they had their first child. Marlon was an easy going man, always had a smile. May he gain power to look after his family, as a powerful ancestor. Amen!
