"Family Tree"

A limb has fallen from the family tree
I hear a voice that whispers, "Grieve not for me"
Remember the best times , the laughter, the songs
The good I lived while I was strong
Continue my heritage, I'm counting on you
Keep on smiling, the sun will shine through.
My mind is at ease, my soul is at rest
Remembering all.. How I was truly blessed
Continue traditions, no matter how small
Go on with your lives, don't stare at the wall
I miss you all dearly so keep up your chin
Until that fine day were together again.
