“ *God bless you, Debi, Elijah and Mitchel in the name of Jesus Christ. My heart is so heavy for you, yet my thoughts keep going to the hope of Christ's return which is the comfort for God's children when a loved one falls asleep. Adolph is sleeping now, but he will be raised. I wish I could be there with you right now; thankfully God provided a wonderful way for me to pray for you with perfect prayer. My heartfelt condolences. Love, Babette*

Adolph was a great man. He worked hard, had a great heart. Cried on my shoulders on how much he loved Elijah and wants the best for him. My prayers go out to the whole family that God will give you peace and strength. Carol Estes
