Adrian was the friend who left a mark on everyone he met. From our high school days to every moment we shared, he stood out for his unwavering loyalty, kindness, and the gentle strength he brought into our lives. Always polite and always present, Adrian had a way of making those around him feel valued and heard.

He was the friend who showed up, stayed, and cared deeply. He took the time to connect, listen, and be there.

Losing him at just 21 feels profoundly unfair. There were so many more moments to share, so much more life to live. But even in his short time, Adrian created memories that will endure. His legacy lives in the hearts of those who loved him.

I will miss him deeply. But as we grieve, we also celebrate the gift of knowing and calling him a friend. His light will continue to shine. The pictures above were taken at my sweet sixteen birthday party.

Rest in Peace my friend, Adrian.

Unfortunately, I am currently in Japan, and, with a heavy heart, I won't be able to attend my friend Adrian's funeral. That saddens me. What is written on Adrian's memory wall and the sweet sixteen photos come directly from me. My mother helped me by adding my words and pictures. Adrian meant a great deal to me, and I hope my message reflects how much he was loved and will be missed.

With heartfelt sympathy, Tabitha "Goodbye for now, until we see each other again my friend"

“ Dear Veronica, Tabitha, Aurelio, and I are deeply saddened to hear of the passing of your beloved son, Adrian. There are no words that can truly ease the pain of such a profound loss. At just 2d1 years old, Adrian's life was a precious gift, and his memory will forever remain in the hearts of those who knew and loved him. Please know that you are not alone in this difficult time. I am holding you and your family close in my thoughts and prayers, asking for strength, comfort, and peace to surround you. May you find solace in the cherished memories you shared with Adrian and the love and support of those around you. With heartfelt sympathy, Tabitha, Annie, and Aurelio Martinez

“ It’s difficult to write this because it doesn’t seem real that Adrian is gone.. It wasn’t that long ago that Vero picked him up after school and brought him to work where we all played uncles and aunts.. getting whatever candy, chips and other goodies we could find to make his visit as happy as possible.. That became the norm on holidays and after school.. Adrian was the perfect little boy.. so respectful and with those beautiful eyes that only showed kindness .

Fly high dear Adrian! Always loved, never forgotten..
