“ Our condolences to the Mon family, Tina always brought so much energy into the room. No matter how tired you became working third shift she would be running around saying lets go. You could feel the love that she had for her son as she talked about him and his homework or what they were going to do on her days off. A wonderful person is now a beautiful angel. Our prayers are with your family at this difficult time. The O'Neils

“ Tina, you put up a good fight, the Lord has bigger plans for you. Wish I could have gotten to know you better, you had a big heart, many shared thoughts, most of all always full of life! I know very well how you got the nick name "chilly pepper". Will never forget our company Christmas party, going to the van for refills, great times. You will be truly missed. I know you looking down on use saying "just party" have a drink or 2 for me!

LOVE ya gal <3 Your friend Kat.
