“ So heartbroken to know you lost your life so soon Alex! 😞😞 I always wanted the best for you! I was proud to see you out there making something of yourself. Even though our lives were busy, we always checked in on each other, said Happy Birthday to one another and called each other "twins" because we shared the same Birthday! 😊🎈💕 Not to mention you always calling me an Alien 👽 thinking I was out of this world bc we always spoke about important things in life!! Nothing but good memories with you. You were a beautiful person. It's true when they say "the good die Young!" 😞 I pray your loved ones find peace and I pray your children have a beautiful life. So sorry what happened to you. I will always hold you in my heart. 💕 Heaven earned another Angel 🕊️👼
