“ Hopi Prayer

*Do not stand at my grave and weep.*

*I am not there, I do not sleep.*

*I am a thousand winds that blow.*

*I am the diamond glint in the snow.*

*I am the sunlight on the ripened grain.*

*I am the gentle Autumn's rain.*

*When you awaken in the morning hush,*

*I am the swift uplifting rush,*

*of quiet birds in circled flight.*

*I am the soft stars that shine at night.*

*Do not stand at my grave and cry:*

*I am not there,*

*I did not die.*

*For everything beautiful you see,*

*will bring a memory of me.*

“ Querida Tia - Te voy a extrañar mucho pero me quedo con tantos lindos recuerdos! Los mejores recuerdos de nina eran esos sabados que pasamos en tu casa jugando bingo y las reuniones familiares. Cuanto gozabamos! Los mejores tiempos de mi ninez los recuerdo en tu casa y en casa de mami con toda la familia y amistades. Esos lindos recuerdos nunca los olvido! Me alegro mucho que hace unos meses tuve la oportunidad de verte y pasar tiempo contigo y hablar de tiempos pasados.

*Te quiero y te recordare siempre, Margie*

“ We thought of you with love today, but that is nothing new. We thought about you yesterday. And days before that too. We think of you in silence. We often speak your name. Now all we have is memories. And your picture in a frame. Your memory is our keepsake. With which we'll never part. God has you in his keeping. We have you in our heart.

*You will always be in my heart, Love always Cindy.*

*Nelson, Papo, David, and Hector I will pray that you find peace and serenity when you think of Alejita knowing she is with her maker!*

“ The memory that sticks out for me, is a day in Ponce, where my family left Glenview to visit Grandma. I had no idea we were staying the night so I left my Grover at Camilla's house. When I found out I would have to sleep without him, I began to cry. I mean, the houses were only miles apart, yet no one would retrieve my beloved Grover. Grandma had no idea what a "Grover" was but she began to knit one, based on my mothers description. The doll was hideous but the fact that she tried spoke volumes. Grandma was tough enough to raise three boys but gentle enough to try and help in any way she could. She was my model at my Makeup FX graduation, she took me in so I could follow my dreams, and all she ever wanted from me was a great grandchild. I'm happy I was able to do that for you Grandma. Hayden cried for you. We love you very much and you'll always have a special place in our hearts... Until we meet again. "Nicky"

“ A Letter from Heaven

*When tomorrow starts without me,  
and I'm not here to see,  
If the sun should rise and find your eyes filled with tears for me.*

*I wish so much you wouldn't cry,  
the way you did today,  
While thinking of the many things, we didn't get to say,*

*I know how much you love me,  
as much as I love you,  
And each time you think of me,  
I know you'll miss me too.*

*When tomorrow starts without me,  
Don't think we're far apart,  
for every time you think of me,  
I'm right there in your heart..*

*Alejita, you were a dear mother to me and I will miss you so very  
much, our lives will no longer be the same without you being near.  
But now the lord has called you home and we cannot be selfish but  
to let you go. Your heart will live forever in our lives.*

*God Bless you. Becky, David, Rudy, Christian, Marcus, JoEvan,  
Crystal, Baby Marcus, Baby Christian and Audrina.*

“ *Mi Gordita Hermosa!*

*Te fuiste a morar con el Señor, sabes que te Amé, te Amo, y por siempre te Amaré. Con lagrimas en mis ojos te escribo, unas de tristeza y otras de alegría. Triste porque fisicamente no te tengo conmigo, pero alegre, porque se donde encontrarte. Dios, gracias por la madre que me diste, por el tiempo que la tuve, y sobre todo porque me la gocé hasta el ultimo momento. Se que estas viendo las flores del paraíso, se lo mucho que te fascinan las flores, Mamita! te fuiste tranquila y en paz, no te digo adios, sino hasta luego.*

“ *MY AUNT ALEJITA:*

*I close my eyes as I wipe a tear.  
I just keep wishing you were still here.  
I will hold all the memories deep in my heart.  
Through these memories will never part.*

*I close my eyes as I wipe a tear.  
I just keep wishing this pain would disappear.  
I didn't get the chance to say my last good-bye.  
I just didn't think you could ever die.*

*I close my eyes as I wipe a tear.  
All of your love I will always hold near.  
In my heart and my mind I will never be alone.  
When my time comes.....  
I will meet you in heaven!*
