“ My favorite memory of you was when I was coming out of school and I saw you by your old building on the concourse, you stopped me and told me you were my cousin then you asked if I was Aris daughter lol it was so funny! It's not every day that someone stops you claiming to be your cousin. Though I have not seen you in a few years, distance or time didn't make us less family. I love you cousin, you will forever be missed dearly.

“ I remember when I first met Alex.I came to Orlando in search to spend some family time with my cousins. Unaware of the fact that Alex also was my cousin too until Chris said “hey lala you know that’s your cousin Alex?” I was in shock for a second. Alex always would FaceTime me just to see how I was doing and to ask me when I was coming to Orlando again. I will miss you dearly cus thanks for being so nice to me, Rest In Peace.

“ I remember growing up you use to say we were related because we carried the same last name... Or when ya dog Uzi didn't wanna let go of my jacket and he ripped it.. damn I remember that time when my brother snuffed a nigga for buying him a hero with swizz cheese and he wanted American cheese so he wouldn't go back to the store or didn't wanna give him his 3.50 or whatever the hero was priced at the time so my bro snuffed him lol.... Even tho you and my brother was the best of friends you would try to prompt the nigga he snuffed to beat my brother up just to see a show on the block.... I also remember the time it was ya last summer in the Bronx and you was so excited to drive 15 16 hours... When you came back to visit with ya 2 cool cousins... I remember that.... Also when you beat two people up at the same time just to show ya loyalty on the block... I'll forever remember you and cherish those moments forever my brother from another mother! I'll miss you I love you 🙏❤️ RIP
