“ Lamento mucho la pérdida de su ser amado. Estoy segura que está pasando por un tiempo muy difícil ya que la muerte de un ser querido deja un gran vacío en el corazón. Algo que me ayudó mucho a mi es el consuelo que da la palabra de Dios, La Biblia. Si tiene una Biblia, le invito a que busque los textos de Juan 5:28, 29, Revelación 21; 3,4 y Hechos 24: 15. Ahí vera que se nos da la bella esperanza de la resurrección. Esto nos deja saber que en un futuro, ¡vamos a poder ver a nuestros seres queridos nuevamente, incluyendo a su ser amado! ¿Se puede imaginar el gozo que tendremos?

Quisiera compartir más con usted esta magnífica esperanza. Con dicho pensamiento en mente, le invito a visitar el siguiente enlace: <http://www.JW.org/es/publicaciones/libros/tratado-muertos-volver-a-vir/> Ahí encontrara un artículo que habla más al respecto.

“ I want to thank all my family and friends for the much needed support and prayers during this very tragic time for our family. It is with your help that I have been able to get through this. It has taken me some time to reflect and be able to respond today. My Step-son Alex, He was free as a bird can be, strong as a bull would pull. Smiled like the sun was always there. Helpful as a man that would never let you down. He was loved, and a person who cared about everyone. He had an eager mind set, always determined when challenged, willing to accept responsibility and figured it out if need be. He had his upsets, but like all of us no one is perfect and did the best he could, pulled through and kept on going. He had recently found God in a way he had never discovered, loved his new found knowledge and understanding. When he felt he couldn't accomplish a challenge he worked harder and succeeded, just like when he graduated from High School, he said he couldn't do it, I said he could and he did. Later in his life he went on to graduate from Medical Assisting. He was persistent, determined, a people person, go getter and pretty much loved by everyone who crossed his path. Most importantly he was the son to his mother and father, a loving step-son to me, he was the father to his son Adrian, a loving brother, god son, uncle, nephew, cousin, and a friend to so many. A beautiful person with a great smile. Thank you so much for being who you were and for the memories we will all cherish. May you rest in peace. Love you.

“ Alex always filled the room with laughter! He was always willing to help others and would literally give you his shirt off his back if you needed it. I love you and will miss you greatly.

“ Alex was one of my biggest hecklers. In karaoke, that was important because it kept me, the kj, on my toes but also kept the singers on point as well. He would ALWAYS be full of love, fun and good spirit... But most importantly, he was a great person. I will miss him dearly, but will NOT forget him as he was a part of my favorite memories at Celia's Hayward.....
