“ *It doesn't seem real... I really thought that I would see you again. I may have been small, but I do have really good memories of you and Rudy. Especially the visit 1995. Always a blast to be with, always making me laugh. How I wish I could hold you and see you again in the flesh. But I am so very happy that you gave your life to the Lord. How exciting! You will be missed by me. I might have a small amount of memories but they are great memories, that I will forever keep in my heart. I will always love you primo. --- Cindy (Santiago) Mireles Family*

“ Moe Moe-where do I begin? First off thanks for my little nephew! Little stubborn but hey that's how the Molina side rolls....I was so thankful to spend time with him while he was here in Oklahoma. I know as parent being away from your child is hard and you sacrificed time with him in order to make his mother happy... THANK YOU! But I am so glad that he moved home to be with you because believe me he missed you so much! But now knowing that you are gone my heart is heavy for him. Please be his guardian angel & watch over him daily. Much ?

“ Alfred I cant begin to tell you how I feel and how your son is gonna feel when he realizes that his dad is gone. We may not have always seen eye to eye but the relationship we had was out of this world. I don't wanna believe it I want it to all go away and see that smile on Christian's face every time he sees you. I know everyone has their time but it was not suppose to be yours. I wish you were here to see your son grow into a handsome, strong, independent man that he is gonna be. I know you will watch over him and Jaime as they both grow up. All I have is memories of you and I will never let them go also I was blessed with a beautiful boy that is your Minnie me so I will always have a piece of you Thank you. You were an awesome Friend, Partner, also a Great father I ask you to watch over us and your loved ones and comfort Christian and Jaime especially in the time that they need you. I would be lying if I said I was not scared I'm more than that Having to be both parents now is going to be a challenge your shoes are gonna be big to fill But I'm gonna do the best I can and I hope I make you proud I love you so much Alfred I wish you were here I would give anything just to have you here. Christian and I love you very much we will see you again Rest in Peace love.

“ *Moe Banga!*

*Jesus man, times flies. I'm still in disbelief that you're gone. It's hard knowing that we will not be able to just "chill" and talk like we used to back in the day. Love you man, you will not be forgotten. Also don't worry about Christian, I got him for you. I'll make sure he grows up being the man you wanted him to be.*

*Later bro, Love and miss you man.*

Herawatie Molina - April 28, 2013 at 12:05 AM

*Death is life's greatest mystery. What happens when our soul leaves our body is the most important question in the world. The answer will affect how we live our lives. The world is plagued with the question of what comes after this. When we are faced with the death of a friend or relative, we are stunned with grief. We don't understand, he was here and now he's not, where did he go? Where does the spirit go? The truth is that our soul knows of its eternal nature. If we ask our souls this question in a real way, we will find that we know that we are made from the stuff of eternity.*

*Alfred rest in peace .....you will be missed but you will always live in our hearts.*

“ I can't believe you are gone, I remember when titi would come over and bring you and Rudy over and we would play together in my room with Cindy. It was so long ago but I remember like it was yesterday. I hate that we didn't grow up together, but I am glad of the memories I do have. I love you Alfred and I have always missed you. Live in peace in the heavens above and watch over the family!

“ Alfred, My Love. I miss You So Much. I'm Truly trying to understand why your not here by my side. Papi, You were My World, My Rock & My Soul Mate. Everything we did, we did together. You showed me how to be A Strong Woman, Mother and Person. You taught me how to stick up for myself and Never let ANYONE take advantage of me. You have taught me so much and I will Forever Live By Your Words. I sometimes feel as if we were meant to be, as if all this was suppose to happen cuz you were the Light I needed in My Life just as Me In Your Life. We changed each other in A Million Ways. We learned off each other and Created Such A beautiful Family. I Love You For all That. No one else Could have ever walked into My Life and made the changes you made. You raised My children as if they were your own and that truly takes A real Man to do things that Like that. You touched My Soul In such a way that I could never explain Papi. I Love You now and My Love for You will continue to Grow Everyday. I take you with me in My Heart & Soul everywhere. I know I will see you again My Love & We'll be TOGETHER. Till then, I will continue to Miss You, Pray for You, And Love You.

“ Al was the first friend I made after moving back to Orlando from New York. I didn't think much of it at first, but our friendship had grown exponentially. He was there for me and I was there for him at any moment. I have so many stories and memories, enough to last a lifetime. Talks we would have were most of the time meaningful. Couldn't have asked for a better friend. Al will be forever missed, and has touched the lives of everyone that he has come in contact with. Miss you bro.....

*I never went away  
I hear you when your laughing  
And watch you as you sleep  
I even place my arms around you  
To calm you as you weep  
I see you wish the days away  
Begging to have me home  
So I try to send you signs  
So you know you are not alone  
Don't feel guilty that you have  
Life that was denied to me  
Heaven is truly beautiful  
Just you wait and see  
So live your life, laugh again.*

“ It is defenitly a sad time in our lives but i would like to take this oppurtunity to celebrate the life of my brother "Moe". I can remember like if it was just yesterday, hanging out as young kids on the corners of 196 & 197 and Marion Ave, many may have thought we were up to no good but i remeber it as all good. Let it be known that you were always there like a big brother to protect, teach and just make everything that much better...I can honestly say there wasnt one time when we were at a disagreement, it was always love. One of my fondest memories is when i first moved to Miami i would always call back home and say how bored i was and how i wanted to go back and you made it a point to come down, get me to south beach and do it up as only them boys from Marion could do.....there is only one word i can come up with that describes how you were and lived....MEMORABLE!  
YOU WILL BE MISSED BUT I KNOW YOUR LOOKING DOWN  
MAKING SURE WERE OK.  
LOVE YOU BROTHER!
