

Alfredo Jesus Sainz

October 25, 1946 - November 25, 2024

Our Beloved Patriarch, Alfredo Sainz Departed this earth in the early morning hours of November 25th at the age of 78.

He will be eternally missed but never forgotten by his wife, Juana M Fonseca-Valdez and his Children, Alexis Lara Martel, Yensy Sainz (Jorge Garcia), Alfredo Sainz-Triana, Giselle Meara (Juan Rodriguez-Casanova) and Matthew Sainz. His Grandchildren, Gabriella Garcia, Briana Laboy, Devon Rodriguez and Jorge Garcia Jr and his sister, Mariela Sainz.

Alfredo was born in Corallilo, Cuba on October 25th, 1946, to Lorgia M Ramirez and Oreste Sainz. He came to The United States in 1980 in search of freedom and a better life.

Our father had a passion for work and providing for his family. If he wasn't with us, he was working. He created his own little family at work as so many of us do, with his Banquet Teams and he was just as loyal to his work and colleagues as he was to us.

Alfredo's first love and priority was always his family. If you knew him you knew his greatest love was our mother, his wife, Juana. He only had eyes for her, and her for him throughout the 40+ years they shared together. He was a dedicated and loyal father and grandfather who never missed a concert,

game, play, graduation, birthday or holiday.

He had a profound and deep love of sports that we all loved to see him wrapped up in. We were thrilled he got one more World Series, with Game 1 being on his 78th birthday. Our father had many great hobbies including fishing, visiting his favorite Gulf Beaches and his famous home-grown avocados that he loved to share with friends, co-workers and neighbors.

There are so many more stories and traits I could share with you, but if you knew Alfredo, you knew them all.

You knew Love. You knew Hard Work. You knew Friendship. You knew a Great Man. And you were Lucky to be a part of his story.
