“ Oh Freddy I am so sad, We have been friends almost 26 yrs. No matter how much time we didnt see each other we always picked up where we left off. I loved your laugh and truly loved U more!! U was a dear friend and I will never ever forget U. U have left a huge void in this thing called life. All of us that loved U are in shock and disbelief. My most sincere condolences to Evelyn and the kids as it will not be easy, but know that he is with U each and every day as your shining star above. God Bless U Freddy!! Please RIP!!

“ Dear Evelyn & Family.....I'm so very sorry to hear of the passing of your precious husband & father. Freddy was a wonderful man. I had the privilege to work with him for many years at the Wyndham Hotel. Everyone loved Freddy. He was a great guy and truly a gentleman. He will be missed by all that knew him. My thoughts and prayers are with you and your children during this very sad and difficult time. Trust in God.....He will comfort you and help you thru the days ahead. With deepest and sincere sympathy.....Belita Robertson (pbx operator retired)

“*Speechless and still in shock...yet Mr. Vega, you fine sir I have been blessed and honored to know for the sliver of time granted. You welcomed me back to the school as a professor over a year ago and was a joy to converse with ever since. Not only did you faithfully protect our FCIM family and campus, but you were like a caring uncle to many of us with pearls of wisdom, service to our country, and jokes to keep our hearts light. I'm sure the beloved FCIM kittens you lovingly tended to also sense your loss. Returning to the new semester won't be the same without you, but thank you for taking care of us and your personal family. May you rest in cherished peace and my dearest condolences to your loved ones who now carry your legacy.*

*Eternal Blessings,
Dr. Bryan*

“*Hello Freddy. I can't believe that I am typing this right now. You were so happy when we spoke last because you could spend more time with your granddaughter, who you talk about all the time now that you're retired. I will miss our conversations and your ready smile, always ready to greet us when you come in and say farewell when we leave. God bless to you my friend. I know you are in heaven because you are one of the kindest people I have ever met. I will pray for your family to be strong because I am certain you are sorely missed. Rest In Peace.*

“ Freddy!!! I can't believe your gone!! I'm gonna miss your infectious smile and our talks about family and how you thought I landed a good guy because he's an ex marine just like you. You were a huge light at FCIM, now your gonna be a huge light shining from above. You'll be truly missed by many but I know your living it up up there. God needed an angel, and sent for you my friend. You may not be here physically securing our school, but I know your always watching over and for us. Fly and soar high buddy 💜

“ A complete gentleman with an awesome sense of humor. Freddy was my official alarm clock at FCIM greeting me with a countdown every day of how many hours I had left to work. Always with his laugh and a big smile. My friend, you will be greatly missed.

“ Freddy had such light inside of him. His love for his family shined brightly in every conversation I had with him. He was a good man, a caring man, and always ready with a smile. I am grateful to have known him during my school years. He will be missed.

“ *Freddy era un caballero , amoroso, servicial , alegre, que adoraba a su familia en especial a su nieta de quien siempre hablaba con mucho amor y compromiso. Te extrañaremos muchísimo, no hay palabras para describir la gran pérdida. Solo nos queda recordar la alegría y el amor que compartiste con todos en FCIM. Gracias por tu calor humano, hasta pronto mi hermano Boricua!* ”

“ *Freddy will be missed I will always remember him and his sweet wave goodnight as we left school. Sometimes you take those little things for granted. May he rest in paradise.* ”
