

Alice Mary Crawford

December 22, 1943 - March 19, 2016

(Terri) Alice Crawford died Saturday March 19th. She was 72 years young. She was a very active and happy woman. She worked very hard her whole life. She loved her children and especially her grand-children and great grand-children. She drove a limousine and loved it so much. She bragged all the time about the celebrates she transported around. She would carry the pictures of all of them around to her friends and family to show. There's many things I could say about my mom, so I will cut this short. I'm having a memorial/party at my house in memory of my mother. I hope all of her friends can make it. I know some of the family cannot, but you will all be thought of. Aunt Kathleen, Uncle Robert, my cousins Karen,Susan,Paul,Thomas and their family's. We love you all. My mother made it very clear to me before she passed that she knew there will be tears, but made me promise it would be a very special get together (as she put it) in memory of her. She wants music,food,fun,love,family and friends. She said she would be checking on me. So this I will be very honored to do for her. I please ask if everyone could try and make this beautiful event. There will be all what she requested.

There will be a gathering at Chrissy's house on April 9th at 1:00PM if you need directions or have any questions please call Chrissy at 407-535-2792
