“ *Another year has come and gone, but our memories live on forever in our minds and heart. May we all continue to find solace and peace in our hearts that embodies the strength we have within ourselves. My faith has grown ever stronger in the hope of the scriptures at (Rev 21:4) when death will be a thing of the past. I miss you dearly but I know that you're in a better condition. Much Love (Lloyd)*

But as I sit here and reflect upon all of the memories both good and bad I THANK YOU for being the best mother a son could ask for. GREATLY MISSED but NEVER FORGOTTEN.

“ To The Family: We share in your sorrow and loss of Alice Lee and we all know that weeping may endureth for the night but joy will come in the morning. The Everett Family will always remember the days as we all grew up on the place called "The Hill" in Apopka, Florida with Uncle Oscar and Aunt Margaret and with the visits from Coral L Wright and her Children from Orlando. As the folks would say those were the go old days that has bought the memories to this point. We all will miss Alice Lee, but lets hang on to the memories and never let them leave us. May God bless and keep you during these times and forever more...Charles, Martha, Betty, Shirley, and Mary, your Cousins from

“ My dearest mother, I knew that this day would eventually come when you would no longer be here with me physically and that time has come. You may be gone but you will forever live on in my heart and memories. Your time with me was short, but your lessons in life everlasting. I will always cherish the moments that we shared together as mother and son. Watching your soaps keeping you updated on what you missed, the daily phone calls just to say hello I made it back in from dialysis. I am really missing those right now hearing your voice. Sleep peacefully because in Jehovah due time as recorded in John 5:28,29 he is going to call all those in the memorial tombs to come out and enjoy everlasting life and I know you will be there, so until we meet again Thank you for all the lessons that you have instilled in me. My Love for you is everlasting.. I really miss my Mom.

“ I met Mrs. Alice a few times when visiting Patrick, Geneva, Alexis, and Calen in their home. She was a pleasure to talk to every time. Our family sends our condolences to our very dear friends. You all were truly a blessing to Mrs. Alice when you all cared for her the many years in your home. She truly experienced nothing but tender loving care and special memories with all of you. Patrick, rest in the assurance that you were a wonderful son to her in every way possible, and dwell only on the wonderful memories you shated with her to comfort your grieving heart.

“ My Most Deepest Sympathy to the Family.. Losing someone is one of the most painful things no one should go through, Our Father who's in Heaven knows that, that's why he says in the PSALMS 34 : 8 " Jehovah is close to the BROKENHEARTED, he saves those who are crushed in spirit ..." He will give you the strength to keep on.....

“ Alice,
I have known you for over 36 years and they were wonderful. You were always the first one there and the last to leave. Always willing to give of yourself. You have a fierce love for God and your Mother. You will be sorely missed and you have so been loved by us! I pray one day we will be together again. Sister, (I say proudly) may God have mercy on your soul and give you peace and everlasting life. You are so deserving of!
Much Love to you!

“ I'm so thankful Alice lived with us for 13 years because it provided my children daily memories and happy experiences with their grandmother. She really loved them and was attentive to their needs. She was loved dearly and will truly be missed. Alice, I thank you for always respecting our beliefs and being there whenever we needed. Enjoy your rest. As promised at John 5: 28, 29, we will see you soon.
