“ My granny was amazing ! Funny, loving, caring, but if she didn't like something she had no issues telling you how she felt lol ! Not a day goes by that I don't miss her, not a day goes by that I don't think about her, not a day goes by that I don't beg heaven to have visiting hours ! I'm happy she is pain free and at peace but I'm struggling ! Everyone says the pain goes away or gets easier but it doesn't , you just learn how to deal with it ! I miss her kind loving soul and would give anything just to hug her one more time ! There will never be another granny like her ❤️
