“ *My Mother was the strongest woman I know. She fought a hard battle with cancer, she stayed positive through the hardest days, and she did it for us her children and her grandchildren. A mothers love is the strongest of all, and our Mama showed us everyday of her precious life how much she loved us. I am so grateful that I was chosen to be one of her daughters, God knew I would need a strong Mama to keep me straight and that she did. God knew what he was doing when he created our family. Rest in Peace my sweet Mama, I will always love you and cherish all the amazing wonderful memories you and I have created. You live in my heart, and when I look in the mirror I see your reflection looking back at me. I love you.*
