“ Rest in Peach Aunt Althea. So sorry that I was so young and had moved away, never really had gotten to know you. I wish I had the opportunity to. I at least take comfort in knowing that you are with The Most High. Get's no better than that. Love you!!!

“ *You have my deepest sympathy and empathy in you loss. During
such a time I was greatly encouraged by a promise I found in the
Bible at Revelation 21:3, 4 where a time will come when we will not
experience the suffering that come from this type of tragedy. With
this thought in mind I invite you to visit www.jw.org, there you will
find more information on Gods promise of the resurrection.*
