Tribute Wall

“ *Family isn't always blood,
I promise this is true.*

*Family are the people who,
Simply love you for you.*

*Family has no strings attached;
They take you as you are.*

*They are always there to listen,
No matter near or far.*

*Family gives you what you need;
Even if it's tough.*

*Sometimes all we need to hear,
Is that we are enough.*

*Family loves us when we're happy,
And even when we're sad.*

*They celebrate the little things;
We didn't know we had.*

*Family doesn't have to be biological;
Sometimes God gives us the people,
To fill the void we have.*

*They fill the voids within our hearts;
They love us to the core.*

*They'd do anything to see you smile;
I know this much for sure.*

*Family gives you nice warm hugs;
Lots of advice too.*

*Family will drop everything,
To stop and pray for you.*

*Family is there by your side,
Through the thick and thin.*

*They're always rooting on your team,
They want to see you win.*

*Family isn't always blood,
I'm saying this again.*

*It's the people that are there for you;
Until the very end.*

*They are the people you want to be involved in every part of your
life. The people who love you as much, if not more than you love
them. They are the family God places in your life.*

“ *My condolence the family and friends of Alva.
I have known you for many years than even I can remember, from
day one your character has never changed. You were always a
loving, caring, kind and considerate person... You were loved by
some many and we will miss you...*

*"Those we love remain with us for love itself lives on,
and cherished memories never fade
because a loved one's gone.*

*Those we love can never be more than a thought apart,
for as long as there is memory, they'll live on in the heart."*
