“ Alysia will be greatly missed by her St. Max family. She touched the hearts of many people including myself. I will remember her bright smile, the compassion visible in her eyes and her love of God and life. I enjoyed sharing stories with her about the 'NorthEast' where we both were from. I am grateful for the time we had together. God bless her.

“ Our journey started 8 years ago when I met your wonderful daughter that I call my true best friend. I loved coming to your home and was welcomed with a beautiful hearted women. I was thankful to get to know you and your family. You and your family always welcomed me with food everytime I came over. Tori still does this. You are truly one of God's working children to help anyone wether they needed it or not. You were always so joyful and had a bright smile on your face. I will miss it everyday. I will think of you everyday and keep your family in my prayer. Until we meet again I love you!

Lysa, I remember the first time we met and how much fun we had over the years. I loved that when we tried to "assist" Myrtle that you could always keep a straight face and I would have to go for a walk around the block! I was blessed to have you as a friend and sister-in-law. Love,
Pam
