

Amanda Amy Bromley Caley

February 7, 1971 - February 7, 2018

Amanda Amy Bromley Caley was born on February 7th 1971. She passed away on February 7th 2018. She was preceded in death by her mother Essie Wetherby of Maine, her step Father Gilbert Stockton of Missouri, and her son James of CT, and many Aunts and Uncles. She is survived by her father Gilbert Bromley in CT, her husband Scott Caley in FL, her brother Robert in CT, Her sister Tammy in FL, her kids Melinda in CT, Solita in CT, Mystic in FL, Cordell in FL, Kaspar in FL, many grandchildren.

She was a loving Mother to all of her Children. She was a wife to a very lucky man Scott Caley. She was a strong willed, loving, and caring person. Amanda fulfilled the lives of everyone who crossed paths with her.

Amanda is going to be missed very much along the way. She is loved by all of her family. She lived her life the best that she could but unfortunately she could not beat the battle that overcame her. She had fought and conquered many obstacles along the way. She fought a battle with breast Cancer in 2009 that she beat. In 2017 she was diagnosed with stage 4 Pancreatic Cancer then in January 2018 she found out that it had spread to her left lung and it was just too much for her body to handle and unfortunately she could not fight anymore but she did fight with everything she had up until the very end.

Although you were taken away from us all way to early you will always be

loved and missed and never forgotten.

RIP AMANDA AMY CALEY WE LOVE AND MISS YOU VERY MUCH.

“ Happy Valentine’s Day and happy anniversary. Just think if you was still here we would of been married 17 years today. Who would of thought. Your son got married and is expecting a child. If it is a girl they are gonna name her after you. I still can’t believe that your not here with us anymore. What I would do to have you here again. I miss you so much. I love and miss you so much.

On a positive note. Your son Cordell got engaged to a wonderful young lady last night 12/24/2021. I could not be happier for them both. They also have a baby on the way. Due I believe on August.

“ Well tonight we had to make a tough decision. We have to put Nahonnie down. She is having issues walking, she cannot even get up without falling down. She is 12 or 13 now and cant remember when I got her for you. But for a Saint Bernard she has lived a good long life. Just think you and her will finally be reunited once again.

I still can’t believe that it has been almost 4 years since you left us and it still seems like it was yesterday, I really wish that things were different and that you did not get stuck with the life that you did and all the issues. I really do miss you everyday. I love ya

Scott Caley - December 11, 2021 at 08:45 PM

“ Just think 7 years ago we were at Mystic’s Graduation. How time flies. Kaspar just graduated high school this year. Cordell is going on 2 years being in the marines. Such memories. Why can you not be here with us. Why did you have to leave us. It has been a little over 3 years since you left and the pain is still so fresh and real. Not sure how to deal with it. How to process it. I wish there was a easier way. So many days I am lost without you. So many days what I wouldn’t give to have you back. Happy late birthday, happy late Mother’s Day. No I didn’t forget. Just could not post anything on here for some reason. So hopefully what ever caused it is fixed now. I love you and miss you.

“ Thinking Of You Sister
I'm sad without you
and wish that you were here –
Within your lovely smile
still shines bright and clear.
I treasure all those moments
of growing up with you –
The secrets we would always share
And as the years passed quickly by
we grew closer still –
I miss you, dearest Sister
and you know I always will. Love

“ Everyday isn't getting easier mom. I try so hard to be the woman you taught me to be. It's so hard. I need my best friend. The one person who didn't think I was crazy. When ever I felt belittles you were there for me it when I felt like I couldn't accomplish anything. I feel this way now I feel like I can't accomplish anything. I miss your reassurance to let me know everything is going to be ok. Mother's Day is hard it's so hard when I need/want my mom to be here and she can't be. It's hard when I hear people talk about their mom and they don't understand the hurt or the pain. It's to hard. I don't have anybody besides brenden who is next to me. I feel like to much of a burden for him at times. I cry uncontrollably and I just can't seem to let go. I try to remember when I was getting over jade and you used to tell me how god was ready for his angel. I think about that on a daily basis but it was easier when you told me this. It was easier when you were around I love you mom I miss you so much 🥹

I don’t know how this is going to and when it will get any easier and hopefully in time I can learn to deal with it better than what I am. I know that you are watching down over us and hopefully me and the kids are continuing to make you proud. I love you with everything I have and I miss you like crazy. Your husband Scott.

Ann Stockton - February 08, 2018 at 07:41 PM

Amanda Amy Caley also known as Elizabeth her dad is Gilbert Bromley. You have me confused on who John Stockton Jr is. I am Amanda's husband.

scott caley - February 08, 2018 at 10:32 PM

he my dad sr not jr

Ann Stockton - February 09, 2018 at 07:27 PM

SC

Yeah I meant SR put JR instead. Just trying to figure your post out because I took it that you was saying it was his daughter. I was correcting that saying it was not that it was Gilbert Bromleys daughter as her maiden name is Bromley.
