“ *Amba, princesa hace exactamente un año pasamos mi cumpleaños juntas acompañadas de mi hija Thaliana y mi hijo Sebastian. La pasamos super bien y nos reímos mucho, el desayuno no te gusto ni a ti ni a Thaliana pero yo por no hacerlas sentir mal me lo comí 😭 nos tomamos muchas fotos y tú fuiste mi fotógrafa ese día recuerdo me decías como posar mientras me tomabas mil fotos. Mi alma se aflige mi corazón partido en pedazos pues no puedo creerlo aún, descansa en paz mi amor te recordaremos siempre.*

“ *My dear Sister. From the very first moment we met, we clicked. Our friendship blossomed into a sisterhood. You were always supportive of my businesses as I was to your up and coming Lash business. I could always depend on you to be there when I needed a listening hear and words of wisdom. Your random FaceTime calls were always hilarious not to forget you were so indecisive lol. I will always cherish every moment we spent together. Oh yea you still owe me Chick-fil-A. I love you sis (bro). Rest easy.*

“ Amber.
A radiant ball of energy, life and warmth
Knew how to light up even the darkest rooms
Working in McDonald's and going to highschool together was nothing but fun memories. I remember I came to work sad and quiet one day and amber looks at me and starts cracking jokes “ You're always so loud and NOW you wanna be quiet???” She always knew how to make me laugh. Most times I would be bent over crying laughing. My favorite comedian. Thank you for nothing but the best memories. I love and miss you.

“ I delivered this beautiful Angel into the world. She has been a brightly shining star who glows & brings radiance to all upon whom her light reflects. Rest my love.

“ Amber was truly an amazing person! No matter what life threw at her she always found a way to bring light to it. I reminisce on all the fun times we had growing up and she was always there through thick and thin. That big smile she always had could light up any room even when there was a problem hearing her laugh and the smile just made it better. She will forever be in my heart and forever missed.❤️ It was always the three musketeers throughout Avid💖

“ *My dear sweet Amber was a light in my life. Everyday she sat with me when she came to school both at breakfast and lunch. Sometimes I would say “Amber Mineya” and she would say “why do have to call me by my government name?” It always made me laugh. Love you forever ❤️*
