“ I just found out of Ami passing. I am so sorry for the family she was a light in everyone's' life. She and I went to school together in Milledgeville and I had lost touch with her when she left but thanks to Facebook she and I were able to fine each other again. She was a true friend to all and the star that light up any room she walked in. She will be truly missed. Prayers to all who knew her and loved her.
