“ Amy has touched my life in many ways, as she did for many. She was a mother figure to me, she took me into her home and we became best friends. I have so many great memories of times spent with Amy, Joey, and Jordan. I will never forget those days and all of the things that Amy did for me. I love you forever, Amy Joy <3

“ Amy and I grew up neighbors, had a few differences and circumstances took us different paths. We were still friends. The years and distance didn't change that we shared some common roots. You were a good mother to a beautiful daughter. No words can express how heavy my heart is. It's never goodbye, it's until we meet again. Fly with the angels my friend.
