“ *Thanks to my husband's student, Dr. Kam K Tang, who sent a lovely message:*

Sorry to hear the sad news of your grandma.

There is a chinese saying 'the funeral of a person over the age of 80 should be a joyful 'celebration' because it is a gift to live over 80 with caring and loving child and grandchild.

“ I do have a lot of happy memories with Anna, but, my favorite is when we went to Disney World and we rode the Thunder Mountain Train. When the train stopped Anna's glasses were all crooked, her hair was all messed up and her blouse was unbuttoned but she was laughing and let me know she enjoyed the ride. Love you Anna and I will always remember our friendship. Elisa G. Rivero

“ *My dearest Tia Ana. You were the last of the original matriachs' in our Puerto Rican family. You were my grandmother after your older sister Nanda passed. You always prayed for me and my family. I know that you are with all of your sibilings, family and friends. Your legacy will always be remember. I miss your high heels, singing and words of wisdom you would always give me when we talked. My girls will always remember you as their great aunt. I know you are resting in peace and not suffering no more because you are with God and everyone who loves you. Love you "Tia Ana"*
