“ *Andrea always will be a sweet and beautiful soul. I loved her from the day I met her when we worked together in Omaha!! I remember lunches and coffees we would share and she would talk about "Going somewhere to find herself." :-)* She loved Florida and she loved Omaha. Wherever she went she brought joy and love and lots of smiles. She will be missed and I will be anxious to see her again.  
Love,

“ We send our condolences to the Ellis family. Andrea was always quick with a smile and easy to get to know. She had such fun persuading us to sample the odd flavored jelly beans that were becoming a tradition when we visited at Christmas! She loved the dogs she cared for and they responded back . She will be missed.
