“ To the Velez family, in the midst of your suddenly, give God praise for all of the wonderful years and memories that He has allowed you to share with your loved one. Just know this, our life is only a vapor, we can be here one moment and the next moment life is over. Never take life or people for granted, life and family are truly a beautiful gift from God. It's not what we do when we arrive it's what we've done in between the dash that matters most. Don't sweat the small stuff, live your life for Jesus Christ, I'm sure that's what Mr. Angel would say to you with a big smile on his face! Our prayers, love and peace are with you.
