“ Sincerest condolences to the Machado and Forde families. Dear Ann, you will be missed tremendously. Your appreciation and support for your family were second to none. You were more than just an aunt to your nephews and nieces, you bragged about them at every opportunity, you were AUNTY. Only you could fight with your sisters, anyone else had to fight you for them. You exhibited your love and support for "your mummy" until the end. Sleep well Sis...Rest in peace.
