“ I knew Angie since I was 6 years old. I remember when my mom babysat Mari and Iso. This was the first family I met when I came from Nee York and they made feel welcomed. When my mom was dying two years ago she came to see her and that meant a lot to me having a bond so close there was no greater distance that kept my mom and her apart. I will miss her and I hold her memories deep in my heart! May she rest in paradise and become the Angel that she always was! R.I.P

“ Dear Raymond: Glenn and I are saddened to hear of your great loss. You and your family are in our thoughts and prayers.

I remember visiting Angie in the hospital when she was battling cancer. Even though she was suffering, she always gave me a great big smile when I entered the room. Angie was a sweet and lovely person and I admired her strength and courage. She will be truly missed.

We pray that you find comfort in memories as well as the love and support of family and friends. May God give you strength during this most difficult time.

“ I got the honor to meet Angie thru my ex - Louie Arbelo and she and Raymond are my youngest child godparents. She had the most beautiful smile ever & the biggest heart. I used to tell her that she looked like Natalie Woods and she would laugh. I was blessed for knowing such a beautiful person inside and out! She was loved and will continue to be loved . I pray for the family's strength thru this incredibly difficult time. I love you Angie and I love her family!! R.I.P comay!
