*I can't believe what happened
I met Angenell many years ago I
At Summer Camp at run by Easter Seals she was vibrant sweet kind
loving great friend she had a future we rode a lot over the years I kept
in touch with her and her children I kept in touch with her for a while
she told me she wasn't feeling well but I always get positive last time
that I try your doctor she said she was a little bit busy and then I lost
track but I want the kids to know how much I love their mom I will miss
her so much I was looking forward to celebrating her 60th birthday this
year she was 16 when I met her she was a year older than me I'm
going to miss her I am to miss her laugh her strength her in
encouragement her hugs I didn't know she was that bad but what she
told me the last time I talked to her that she left her all her
grandchildren I think you told me she had 6 grandchildren she told me
she loved them very much I will never forget my conversation with her
she was really special but I guess God really wanted her in heaven
until we meet again and Janelle I will always remember you and love
you and I will always love her children and her grandchildren I want you
to know that you can come and visit me in Naples Florida if you would
like I would love to give you my number 239-404-31 79 you can call me
anytime love always Anna*
