“ Anne was a remarkable and warm-hearted woman. With her kindness, good spirits, and genuine care for others, she always brought light into even the darkest moments. Even though our long professional relationship was shaped by emails and phone calls across many miles, she had a rare way of making every connection feel close. I hold many beautiful memories of Anne—and of Bill—who welcomed me so generously and made me feel truly cared for. I loved Anne dearly, and this is how she will always remain in my heart: loving, uplifting, and deeply thoughtful. My thoughts are with Bill and the family.

“ Anne’s smile and effervescent personality always brought light to the room. I loved working with her. She was an earthly angel and I know her spirit and soul live on in the glory of Jesus. My sincere sympathy to Bill, Jay and Blake and family.

Anne, was an incredible woman! She always had a beautiful smile and genuine love and compassion for others. If you spent time with her you know she was a truly special person. May her soul rest in peace and her family find comfort in knowing that part of her heart and soul will always remain in them and those she touched.

What a hard disease. My mom suffered in a facility for 8 years. Was thankful when my mom's mind was able to finally be at rest. May Anne's memory be eternal. Warmly, Maria Hayworth (Orlando/Orange County CVB, early 1990s)
