“ Dear brother Tom, it's hard to understand why our loved ones are taken from us, but find comfort in knowing you were a special part of such a well-lived life. Our heart aches for you and may the happy memories carry you through this sorrowful time. Our love, Anita and Michael

“ To our dear nephew, your sudden passing shows us all how precious life can be and how we must learn to appreciate life and live each day to the fullest. You are now in heaven with your grandma Jean and grandpa Frank and with their comfort and love, you will have eternal peace. We are very proud of the man you have become and will hold tight to those memories of how you touched so many hearts with your engaging personality and infectious smile. God bless you, Anthony. “ To my dear nephew,
These last two weeks have been a blur. No one would have thought or dreamed of the horror that has become our little family. Your dad's heart is broken as you were his only child, our only nephew, your grandparents Balistreri's only grandson. I remember the days when you were little and we would do fun things together like adventureland, going to the park, splash splash, movies, shopping for Pokemon cards and of course McDonald's. As we look through the hundreds of photos of you growing up, spending every birthday at our house, trick or treating, playing with your friends at out house, riding bike or razor scooter, we remember what a beautiful little boy you were, always ready for a photo with a smile. We may have not been as close in the last few years after your move to Florida, and we were proud to know that you matured into a responsible young man. You are forever in the protection of Grandma and Grandpa Balistreri in heaven. Mom and Dad, please look after your grandson Anthony and take him into your embrace. I love you Anthony.

“ Our Dearest Anthony, words cannot express how devastated we all are over your sudden passing. Our only comfort is that you are at peace. Your Grandma Jean and Grandpa Frank will forever protect you and be by your side. Your infectious smile will always be in our hearts and memories.

Anthony is also survived by Aunts, Uncles, and a multitude of friends in New York and Montana who will sorely miss him.

Love, Aunt Carole, Uncle Billy, and Cousin Gina.

“ Anthony you will forever be in our hearts. I can't believe you are gone. We keep replaying memories of you and are grateful for those. I remember us going bowling with Esa and I on one of our first dates. You were more than a cousin to Esa, you were a brother. Take care sweetheart and one day we will all meet again. Love ya
