“ Smitty you were a staple in our household since as far as my memories exist. You are one of a kind dude who protected and did anything for those you loved and called friends. I will never forget All that did for me, my mom, Cindy, Rodney, Ralphie, list goes on and on, you were an incredible "do it all" dude and had the patience with my sister of a saint! You will be missed, but not forgotten, and if there is a heaven, I'll see you there upon my arrival (if they let me in!) love you my friend.

“ My uncle Anthony will be missed by many. He was a good man who was always willing to help anyone, anyway he could. As kids, we would wait for our turn to sit on his hands as he would throw us up in the air. We would tease him and say " do you want some food with that ketchup?" I will always be grateful for so many childhood memories like going to Coney Island, listening to the oldies station (whether we wanted to or not) as well as having him in my life as an adult being able to meet all three of my children as they came into this world. He was loved and will be missed ❤️ Yvette, Danny, Chris, Isabel & Nicholas

“ My uncle Anthony was a very kind & good hearted man. To know him was to love him. Always helping out his friends, family, loved ones & even strangers. If he could give a helping hand he definitely would. My uncle is at peace now being the angel god needed him to be watching over us all. Missing you Uncle😭..💜 Your niece Jillian💚💛
