

Anthony J. Marandino

May 5, 1946 - May 8, 2018

Orlando, FL : Anthony J. Marandino, A.K.A “Tony” 72, passed away on Tuesday, the 8th day of May 2018 at the Orlando Health and Rehabilitation Center after short fight of cancer.

Tony was the last of his siblings, but leaves behind his close friends Paul and Pat Tedesco who took care of him for many years of his life. Tony has several nephews and nieces who reside in the North East part of the Country.

Tony was very devote to his religion, I was told he even went to Seminary School in his early years of his life. Many people thought he would become a Priest but the only thing that held him back was a few medical issues. He was a member at The Sacred Heart Traditional Church for many years and even became a member of the board too.

Tony enjoyed landscaping and maintenance work and also could tell you about any thing that grew out of the ground. Tony was also a very caring person and would try to lend a hand to anyone who may have needed it. He was a true friend and will be dearly missed but never forgotten. May he rejoin all his family and friends who have passed and to look over all who remain behind for it is not our time to join you in heaven. You have earned you wings my friend, fly high and soar.

“ Not even a year ago, your where my Best man at mine and Pat's wedding. You cry like a baby as the Bishop was start to wed us as I myself. Thank you for being there for all the good and bad. But that day was one of the many we have shared my friend. .
