“ *Anthony you had came into our lives and made a huge impact. You will forever be in our hearts, your encouragement and kind spirit will always be cherished. Your boldness to proclaim the name of Jesus touched many lives. I remember the long conversations about God sitting at the table, the friendly competition between our rival football teams, and the way you always just showed love to our family. I know you are in the presence of our King and walking the street of gold. We love you brother, we will forever hold onto those memories.*

“ Anthony, you meant so much to me. You were my other half. I loved you so much and was so blessed that we got the opportunity to grow together and with God. Everyday with you was a blessing. We shared so many memories and so many laughs. I still cant believe this. You were the best fiancé any girl can ask for. You wanted to show others that with God there is no such thing as impossible and you strived to better yourself for him each day. My life with never be the same without you baby 🥹🥹🥹🥹 I love you with all my heart. May you rest with our Lord and Savior for eternity.
