

Anthony "Tony" Michael Clary

January 11, 1972 - September 6, 2023

Anthony "Tony" Clary age 51 of Orlando, Florida passed away on Wednesday September 6, 2023. Tony was born on January 11, 1972 in Orlando, Florida.

It was a cold January day when I brought you into this world. You struggled & struggled to catch that first breath but when you did it was off to the races and you never slowed down. You were a cute little fella and always into something. There were always little critters in your pockets and orphaned animals at your heels. Must have been your kind heart and that great smile that the animals and friends liked about you. You were always a happy guy and enjoying life.

You and I had just spoken the week before about going to Heaven. Don't know why we were talking about that. I asked you, Tony, where are you going to go when you die? You said, Mom, I love the Lord. You know this. And then you repeated John 3:16. You told me we are going to be together in Heaven. What we didn't know then was that you would be going so soon.

Tony leaves behind his mother Rozanne; brothers, Steve and Greg and their families; His Uncle John and his family, and many lifelong friends.

Tony, you will be greatly missed and remembered by all who knew you. Be free of this earth now Tony and be at Peace son. You are loved.
