“ You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit [www.jw.org](http://www.jw.org), there you will find more information on Gods promise of the resurrection.

“ Velazquez Family, God earned another Soldier. Your heart was made of Gold, your Faith was Pure, your Love for others was True. Keep smiling down at all of us. Play your music for us. May God Hold you in his Arms. You Rocked!

“ Uncle "Cookie" Arnold was such an amazing man. He was talented in many things, but what I admired the most about him, was his ability to make you laugh, when he should have been crying. I only saw him cry once in my lifetime and I will never forget that night, he drove his car all the way from Deltona, not sure if or how he would make it back home (I was young and still in school), but he had not seen my brother and I in a while, and although he was out of gas, desired to hug us and to tell us he loved us. He then broke down and cried. That moment will remain with me the rest of my life, for he truly loved us. I'm sorry life struggles and complications kept us from spending more time together, but I do have some wonderful memories that I will cherish forever. I love you uncle Cookie. Rest with the Lord.

“ I knew Arnold when I worked at Central Florida Eye Specialists. Arnold was always smiling and in a good mood. When Arnold smiled everybody smiled. I know he is smiling at us from Heaven right now, and probably telling the angels a few jokes. I will miss you dearly my brother, until I see you again.

“ *May you find comfort in the fond memories of him and may God give you all the strength to endure this time of sorrow. Remember and rejoice in God's promises in the scriptures to obedient mankind who have fallen asleep in death at Acts 24:15, there will be a resurrection of the righteous and the unrighteous. In addition, very soon pain, sickness, and death will be no more as mentioned in Revelation 21:1-5. My sincere condolences to the family.*

“ I knew Arnold as an employee of mine back when I managed the Pearle Vision Center in the Florida Mall in the mid-late 1980s. Arnold came on board as my lab manager, one of the best I ever worked with. In time, I was promoted out of that store, and the next time I would see Arnold was when he played with G-Force some 15 years later, at the same venue I was playing at. It was great to connect together again, only this time, musically. From time to time we would cross paths, once him lending me his five string bass so the kids in our high school dept. band could complete their ensemble. It was only recently I learnt of his illness, and attended the benefit for Arnold on Artisan Alley. I had to leave before he got there....

*Arnold is a brother in Christ, and I expect that we both will be playing again, soon, together, at the Wedding Supper of the Lamb. A new song, played on new instruments in new bodies that will neither fail with age, nor weaken with disease. Arnold, save me a seat, ok?*

“ Arnold played in our band the last few years on Wednesdays at Grace and Grits (a place where we feed th hungry). Though he was often in pain he provided relief to many in pian through his music. Never saw him do anything but smile and be encouraging! Love you Arnold!

*I am so sorry for your loss. Please know how sorry I am for your loss. Years ago I lost my father to death and I had no hope. I just wanted to share a brief scripture with you...2 Corinthians 1:4 says, "who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we receive from God"*  
*Again I'm sorry for your loss.*  
*With thoughts and prayers,*

*The first time I met Cookie I knew we were going to be friends! Alton and I visited him when he lived in a rented home in Deltona. We chatted and laughed almost that whole night! <3 Oh...and he tightened my glasses for me! LOL*
