“ *Im sure if anyone talked to atly in the last year you may have heard of me im shelly...or as he couldn't pronounce it right most of the time he called me sherry. I have worked with this practical joker for about a year. My most honored pleasure of meeting such a wonderful family. He played such a joke on Merlin with a wild story. He told a vendor she went off to China for a while and sold used cars. I suppose some time went by the vendor seen Merlin. The vendor asked me `How long did she get back from the trip?` I tried to explain to this vendor she never went on this trip laughing at him. The vendor got mad at me and asked her. I never seen Merlin laugh so hard so quickly it brought tears to her eyes. She been having so much stress from life she really needed to laugh. Atly I know you are soo lucky up there you went with God on HIS day at HIS favorite time of the day as they believe. Save some of that tripe for me Jefe I really miss you calling asking ooo sherry were are you. It was a blessing to know such man you were like a dad more then a boss to me and I will celebrate your life in honor. The store is not the same without you. You are missed by many and loved by MERLIN so much ... I LOVE JEFE LOOK FOR MY MOM*

“ *When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. “ I would like to express my sincere condolences for the passing of your love one. I hope you will find comfort in Jesus' words: "The hour is coming when all those who are in the memorial tombs will hear his voice and come out". (John 5:28,29) Just imagine the joy of being reunited with your loved one.
