“ In 1986 I met a lady named Averill Galloway. She hosted my choir companion and myself overnight in her home. I remember she had long black hair. I don't know if this is her -- I apologize if it isn't -- but I never forgot that lady. She seemed strange to me but very loving at the same time. She made us popcorn and showed us photos of a real wedding she had for her pat rat. We talked and laughed until the wee hours of the night. Then the next morning she drove us all the way back to the church to meet our bus. I never saw her again. But I have thought of her often. She will always remain in my mind as one of the richest characters I've ever met.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the Bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away I invite you to visit the following site for more on this promise; [www.jw.org](http://www.jw.org)

“ Averill will be truly be missed. She was a true saint, always working to tell more people about the wonderful grace of God through Jesus. Her love and efforts are what brought my husband and me to the saving knowledge of Jesus. Thank you God for putting her in our life. See you again in heaven.

“ Very sorry to hear of your loss, losing a love one in death is something our Creator never intended for us to experience. How we long for the time when death will be no more as promised in the Bible. (Rev. 21:4) May the God of all comfort be with your family during this difficult time. (2Corin. 1:3,4)
