Barb was one of my very bestfriends. We met 23 years ago and ended up working together at 3 different schools. We were as different as night and day yet we fit like peanut butter and jelly. We laughed and shared life stories and cared about one another. Her unconditional love and friendship is unmatched. She was always in my corner with a kind word and supportive hug. She had a smile that lit up the room and her southern sayings warmed your heart. Barb was lovely and giving and positive. Her faith and her family were number one in her life. She cherished and loved her family and was so very proud of each and every one of them. Prayers and condolences to Jimmy, Jason, Paige, Shannon and all the grandkids and great grandkids. She adored you all.

You can't put 62 years of friendship in this small space, so I will just say thank you to God for placing Barbara Helen in my life. Her family led me to the Lord when I was a teen and for that I will ever be grateful. She was a true southern lady, just like her mama. Bless her heart. She loved Jesus, Jimmy, her children, grandchildren and great grandchildren, and so many friends. Life was a lot better with her and I will miss her until the Lord calls me home, and we can laugh together again without the burdens of this world. I can only imagine what her conversation was like when she met Him face to face. Her life was a testimony.
