“ *You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit www.jw.org, there you will find more information on Gods promise of the resurrection.*

“ *I have only known Barry a couple of years, and mainly thru my business dealings with him at Central Florida Box. I found him to be a man of Faith and Conviction. He was straightforward and extremely honest. His love of his family, his strength of faith, and commitment to his job and company made him very likable and wonderful to do business with (even when he was unhappy with me). I will miss him very much!*

“ Condolences on the loss of a wonderful man- father, husband, friend.I knew when I saw Barry, a few months back that he had come to say goodbye and I will always remember that warm wonderful hug before we parted. His kind and gentle way was so endearing.

Abbie, Shelly, & Heather, never doubt that you, his daughters, were the pride and light of his life. Blessings also to his wife, grandchildren and rest of family and friends.

“ Hello, I would like to express my condolence at this time to your family. The Bible is a great source of encouragement at times like this, a comforting thought is at Revelation 21:3,4 where it states "...And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." This scripture gives us hope for the future! For more information please visit our website at jw.org

“ When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. For more comforting thoughts and to know why we get sick, or grow old and die please go to www.jw.org

Shell, I am so very sorry for your loss ! Your dad was a wonderful man and such a great and loving dad. You were so blessed to have him ! He always made me feel like I was part of the family and made himself a father figure in my teenage years when I needed it the most ! I will never forget all the nights we waited for him to get home with our Dairy queen !!! He loved him some ice cream :) And he loved us through it all !! REST IN PEACE..... TILL WE MEET AGAIN !! He is riding that Harley on the highway through Heaven !!! I love you Shell-Bell and im here for you always !! Love your bestest friend ever !!!

chrissy - April 09, 2014 at 12:38 AM

He did love his ice cream. :-) The last thing he said expressly for me maybe a week before he passed was "You better not leave without bringing my my ice cream cake!" And I did. A few days later I brought a small cake. He didn't get to enjoy it, but I made sure to take it to him and showed it to him.

Thank you, Chrissy.
