

Basdeo Mohan Ram

November 11, 1930 - December 29, 2020

Basdeo Mohan-Ram (90) peacefully came to the end of his life's journey in his home after a brief illness. He is survived by his Dear Wife of 65 years. He was a loving and caring father Pe" Tajie" to 12 children: Maya, Shobha (deceased 2020), Laish, Shirish (deceased 1961), Usha, Sataish, Yojana, Nimmi, Raywa, Santosh, Sandesh (deceased 2015), and Rakesh. He had 29 grand-children and 12 great-grandchildren.

Basdeo was born in Tunapuna, Trinidad, and had one sister. As a young teen he travelled to Georgetown, Guyana, where he was greatly respected as the oldest brother (Bhiya) to his new siblings. He was a devoted Hindu of the Aryan Faith and learned Hindi at an early age, which gave him the ability to sing meaningful and melodious songs and Bhagans. In Guyana he had many friends, was a proud Fast Bowler/Cricketer in the Indian Youth Organization and worked at a laundry.

At 24, he used his singing talents to woo and marry this beautiful young lady in 1955, and soon after started on the hardest job of single-handedly providing for his large family.

In his late 30's he moved to the USA and worked many jobs in several hospitals in Brooklyn and NYC where he especially enjoyed being a steward for the Unions. He made many sacrifices, sometimes only getting sleep on the

subways to and from work. He loved to travel and, although he was teased for having many children, being surrounded by them was his greatest joy.

Mr. Ram worked 2 full time jobs until he was 70, then retired and moved to sunny Poinciana, FL. Here he enjoyed the quiet and comfortable life spending time with his wife, going to Mandirs, gathering on occasions with friends and family, singing, cooking, and watching his garden grow.

Basdeo was well respected and loved by all who knew him. He will be dearly missed.

“ Grandpa, the last time we were together you visited me at my job at the law firm in Hudson Yards. Who would have thought we'd be together looking across the city, the same we we'd sit on the porch at 2327 during the summer time when I was a child. Before that, we traveled together to Winnipeg to go to our sister's funeral. From the days you brought me with you to puja, to walking on your back, to driving down the I-95 to Florida, to shopping at Shop Rite and listening to Mets games on the radio, my memories of you are of love and joy. Your life lives with me, so long as I have them. Love you grandpa, now and always.

It is with much sorrow that I write this message.
Bhaiya was so loved by us all. We greatly enjoyed the many visits that you and Bhaiya made to Toronto and will treasure these memories.
Although I know that death is certain to one who is born, it is inevitable as well that we mourn the passing of a loved one.
We love you all and pray that as life goes on you continue to build more memories to treasure with your loved ones. Love always,

“ My Bhaiya Basdeo and I (Vivek) had a real brother's bond to surpass none. For many years we shared a bed and he would entertain me, remembering his earlier experiences in Trinidad. He taught me many things including making a good balata cricket ball out of sap from balata trees. He was very devoted to his cricket club members in such a way that he organised our mother to teach Hindi to them. It was no surprise that he started singing devotional Hindi songs at religious functions. My first long pants were a navy blue colour, given to me by my caring, loving big brother. What a loving relationship we enjoyed!

For Sweet Bhougie and all my beautiful Nieces and Nephews

All of us your Aunts and Uncles will remember your precious Dad for his special birthday treats.

We were always eager, to be around him, to share his humour, laughter, Brown Betty's icecream 🍦 and other pastry treats, when we were young.....riding bicycles together to get around...

Gosh we Will miss him but, with smiles, And with some comfort in that : as per

Bhagavad Gita Chap 2 Verse 20 : A soul is never born nor dies. It is eternal, everlasting and unborn . And even tho the body is no more, the soul is never 'no more'

His journey continues.....
