“ *Mr Basil Joseph Morgan ( Mr P) was a great gentleman. He loved wrestling. He worked at Madison Square Garden, and he took me to watch wrestling by the old greats i.e. Pedro Morales, Bruno Sammartino, George ( the animal) Steel, etc. He even accompanied me to the US when I came up to live with my mother in 1972. I lost contact with him because I joined the US Marines and left Brooklyn.*

*My sincere sympathies and condolences to all his family and loved ones for such a great loss. If I had know I would have traveled to Kissimmee to attend his funeral. I remember he had a daughter that lived in the same building that I lived in on President Street in Brooklyn. If my mind serves me right, I think her name is Shirley. Ma'am my sincere sympathies and condolences for the loss of your father. He was the nicest person in the world. I wish I had known. I am so sorry.*
