“ *Beatriz,
Just seeing your beautiful face brings back so many memories. We worked together at Westridge and you were always smiling, so positive. You would always greet the parents with a smile, so helpful to them. We would crack up laughing when i showed you something new. I have missed you and will continue to do so. i regret not having seen you. You will always be in my heart, you were an old soul my friend, you had so much love for your children and patience. That beautiful smile will always be a part of me and you will always be in my heart. Rest in Peace my friend, your friend*
