“ Otro año sin ti con nosotros, pero siempre en nuestros corazones ❤️. El otro día oír tu voz, como si estuvieras aquí conmigo. Y aunque mi trajo tristeza de no tenerte aquí, también me trajo muchos recuerdos buenos. Yo nunca te olvido. Te tengo presente todo los días. Mami es la que todavía no podido superar que ya no estas. Es duro para ella. Pero rezó para que con tiempo ella no lloré más porque la tristeza de que no estés le cuesta. La consume con dolor. Pero si puedes ,por favor vela la y protege la. Te extraño viejo, pero nunca te dejó de quiere.

“ *Grandpa, I've been thinking about you a lot lately. I wish you were still here. Although Grandma has mom and me it's not the same without you being around. Not just for her but for all of us around her. I miss hearing your jokes and laughter. That is what kept us all together. I promise as always to stay close to grandma and make sure whatever she needs that I'll be there. Love you*

“ Hi Grandpa,

I know it's been a while but trust me you never leave my thoughts or my heart. I miss you, i keep having these dreams so vivid it almost feels like you're near. I still can't get use to you not being around. Grandma is ok but not great. She misses you so much and isn't the same since you were called home. But the ones that love her are with her always watching over her and protecting her. I will keep my promise to you. I love you.

“ Grandpa you were missed this past sunday on your birthday. It was a quite day for me as I wanted to reflect and take a moment to remember childhood memories I have with you. Our beach trips with the family, all our christmas parties and family get togethers. My time as a little girl on your farm in the summers. I miss all of it. I miss you! This weekend will be hard as well. The 1st father's day without you. So I made myself a promise instead of counting the days or special holidays/birthdays without you, I'm going to take time on those days to remember all the wonderful times we had and most of all I'm going to celebrate you! Te Extrano Mucho Viejo. Un beso grande y siempre mira a abuela desde el cielo.

I want you to know that even though your body isn't here your spirit lives on in all who love you. I love you and miss you very much grandpa. No one could ever replace you. At times during the day i feel like you're with me, watching over us. It's almost like i feel you close, i hear your voice and for a moment I believe your not gone. Hopefully one day we'll come face to face again, i may be a little scared so just be patient with me. It'll surprise me but happy to know you're alright resting in peace without that horrible disease. I love you papi. Te quiero viejo*

“ Hi grandpa i've been thinking about you a lot. I miss the little things about you like your laughter and dancing even your annoying habits. It's been especially hard on grandma and my mom. I am doing what i can to help them process your loss but it's hard for me too. I miss hearing you around the house when i'm there and your absence just seems like a dream. It's not easy getting use to not having you with us. I know that you knew grandma did everything she could for you and i know i did what i did to help you with all my heart in good faith. That allows me to be in peace when I think about you. But it doesn't change the fact that your gone. I miss you so much papi. Te quiero mucho te mando un beso y un abrazo fuerte. Me haces falta viejo

“ Abuelo these past 2 weeks have been difficult without you. I miss hearing you around the house, your silly jokes and your stubbornness. You were always such a strong person always standing firm in your ways but at the end those stubborn ways didn't help much either. I dream of you every night since you passed and only hope that you are finally in peace away from suffering and pain. We are all trying to stay strong for grandma she misses you so much. We try to keep her spirits high and let her know that you knew how much she loved you and you her. If your watching from above keep her in your sight, watch over her and protect her as you always did and if you can send her a message so she knows your in peace. We all miss you so much but keep you close to our hearts, keeping all our fond memories of you daily in our thoughts. I want you to know that i appreciate everything you did for me and thank you for being the best grandfather anyone can ask for. Te Querio mucho viejo. Te mando un beso grande.

“ Siento mucho su pérdida se que están pasando por un momento doloroso por eso me gustaría compartir con ustedes un texto de la biblia se encuentra en Juan 5:28,29 donde Jehová Dios promete que volveremos a ver a nuestros seres queridos que han muerto pues serán resucitados. Que bonita esperanza para quienes hemos perdido algún familiar en la muerte. Espero que el texto les ayude y los acompañe en su dolor.

“ Grandpa as the first grandchild I will make sure to watch over grandma, never leave her alone and make sure she's always cared for. Although your gone and in a better place know that we will always keep you in our hearts. I still can't believe your gone. I can stil hear your voice in my head, your laughter and your jokes. I find myself looking for you when i go to your house. I look around and the sadness hits me when i don't see you there. I go outside to the garden expecting to see you tending to the fruits and vegetables and my heart aches. I try to hold back the tears and i can't no matter how hard i try to be strong. I'm not ready to say goodbye tomorrow, but i try to contain myself because you showed us to be strong. Te Quiero Mucho Mi Viejo.

Espero ques seas me Angel siempre.

“ Abuelo,
No hay palabras para explicar el dolor que siento en mi corazón. Quisiera que esto fuera una pesadilla en que pudiera levantar y llegar a tu casa a abrazarte y decirte lo mucho que te quiero. Abuelo, te extrañe todo los días de mi vida. Y te prometo cuidar siempre de abuela. Gracias por siempre creer en mi, por darme tanto amor y por enseñarme que en la vida lo importante no es el dinero ni lo material si no compartir con tu familia. Nunca le diste importancia a esas cosas lo que A ti te importaba era tu familia, compartir, comer juntos, bailar, y gozar la vida. Mi abuelo lindo, se que tengo que estar conforme porque dios te tiene con el en un bello lugar donde no sufrías más ni tendrás dolor. Donde estás junto a tus padres y tus familiares que ya te estaban esperando en el cielo. Pero es que el amor aveces puedo ser egoísta y yo te diré que diera todo lo que yo tuviera para que estuvieras aquí siendo el mismo hombre fuerte y contento que siempre sabía cómo ser que todos los riéramos con tus chistes y buen humor. Ya nada será iguale sin ti. Nunca te olvidare y siempre seré tu estelita que te quiere con todo su corazón. Te amo abuelo descansa en paz viejito lindo❤️💔

“ It has been said that the best dads get promoted to grandpas. Grandfathers are good listeners, good storytellers, and most importantly, good friends. They are always there to laugh and play with their grandkids and even console them when necessary. Grandfathers are also often the source of sage advice, a benefit of their many years of experience. One thing is for sure, the love of a grandfather is a unique treasure that is never forgotten by their grandchildren. The times spent with a grandfather turn into precious memories that are conserved in the heart, even long after they have passed.

“ Grandpa, my heart is shattered in a million pieces. I can't believe that you're gone. I will miss you so much. You jokes, your stories, your political comments LOL. You were the one and only republican I could ever love. LOL

You we're not only my grandfather. You were ny father. You guided me. And took care of me. And knew how much I needed your love. Your love was unconditional. And even when I would disappoint you, you loved me anyways.

Above all, you loved my daughters. All the memories Juliet will have with her pa will be cherished forever. Ava will always know she has an angel looking out for her.

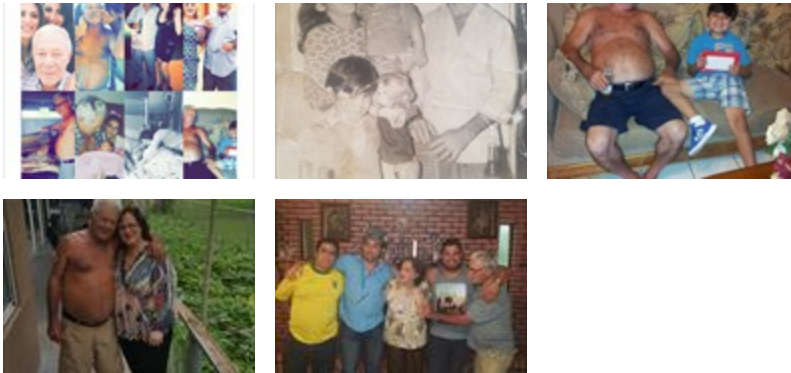

Until i see you again. . I love you so much. Te quiero tanto grandpa. Y te voy a extranar tanto. ❤️
